Career Objective

Dynamic operations & revenue leader with 20+ years of experience across EdTech sales, global contact center operations, and multi-industry lead-generation ecosystems. Proven track record in scaling high-performing teams, improving conversion %, unlocking revenue growth, and building end-to-end performance frameworks. Have led large-scale operations and chat-based lead-generation for diverse sectors at CommVersion—including Real Estate, Automotive, Finance, Healthcare, Legal, Hospitality, SaaS, and E-commerce—delivering measurable uplift in revenue, efficiency, and customer experience. Now seeking a senior management role to drive operational excellence, commercial growth, and high-impact performance transformation.

Professional Summary

- Accomplished operations leader with 20+ years of experience driving growth through optimized chat operations, performance management, and business transformation.
- Expertise in scaling international sales across EMEA, APAC, and North America, achieving over 3x revenue growth within two years.
- Proven ability to establish and nurture strategic alliances with global universities and corporate clients, enhancing brand visibility and lead acquisition.
- Designed and implemented data-driven sales frameworks, optimizing funnel efficiency and improving lead-to-enrollment conversion rates.
- Excelled in building and managing high-performing cross-border sales teams with a focus on consultative selling and customer experience.
- Led domestic business growth, achieving a 2.5x increase in sales revenue via funnel management and cross-functional collaboration.
- Proficient in P&L Management, Salesforce Optimization, and KPI Engineering to drive revenue and improve client ROI.
- Certified in Project Management (PMP)®, Business Analysis (CCBA®), and Agile practices (PMI-ACP)®.
- Demonstrated success in end-to-end contact center operations and team leadership within dynamic environments.
- Currently pursuing Lean Six Sigma Black Belt Certification - International Association for Six Sigma Certification (IASSC)

Chief Operating Officer – Global Operations, Performance & Revenue

CommVersion (Mumbai, Maharashtra, India)

Strategic operations & revenue leader driving end-to-end transformation across multi-industry lead-generation ecosystems. Owned full operational P&L and performance delivery for global chat contact-center operations across UK, US & ROW markets—covering Real Estate, Automotive, Finance, Healthcare, Legal, Hospitality, SaaS, Education, and E-commerce sectors. Built scalable systems, optimized chat outcomes, and led performance uplift initiatives grounded in precision analytics and Lean Six Sigma.

Accountable for delivering aggressive growth metrics through conversion improvement, efficiency optimization, and workforce productivity management. Championed a data-driven culture by architecting real-time dashboards, KPI measurement frameworks, process automation, and next-gen performance management systems.

Core KPIs & Metrics Managed

- Lead Conversion % (Chat-to-Lead): Achieved significant uplift YoY through knowledge-based flows, concurrency optimization & agent performance frameworks.
- CSAT & Customer Experience: Built measurement models driving 90%+ CSAT delivery consistently.
- FRT / Response SLA: Reduced First Response Time, improving lead capture & experience metrics across channels.
- TAT (Turnaround Time) & process cycle time improvements across chat, QA, and content teams.
- AHT (Average Handle Time) optimization without compromising quality or conversion.
- Agent Productivity & Concurrency: Workforce utilization, concurrency control, shrinkage & adherence.
- Revenue per Chat / Revenue per Lead commercial impact tracking.
- Escalation Reduction & defect-prevention frameworks.
- WFM & forecast planning for multiple global time zones.
- Channel performance analytics across LiveChat, WhatsApp, Email, SMS, and AI-assisted chat.

Achievements:

- Achieved seamless customer experiences and high conversion rates through optimized chat operations.
- Improved data-driven strategic decision-making by leveraging performance metrics and insights.
- Augmented knowledge base resources to boost team productivity and customer satisfaction.
- Led CommVersion's successful certification for ISO/IEC 27701:2019 (Privacy Information Management) and ISO/IEC 27001:2022 (Information Security Management) while ensuring full GDPR compliance across systems and processes.

Nov 2022 - Mar 2024

Vice President Operations

CommVersion (Mumbai, Maharashtra, India)

Responsible for the comprehensive oversight and strategic management of contact center functions, aiming to improve operational efficiency and ensure high-quality customer interactions.

- Managed end-to-end contact center operations, ensuring seamless service delivery.
- Oversaw all aspects of contact center processes to enhance efficiency and customer satisfaction.

Achievements:

- Improved contact center operational efficiency.
- Maintained consistent standards in providing excellent customer service.

Oct 2021 - Aug 2022

Director - International Sales

upGrad (Mumbai, Maharashtra, India)

Directed international sales efforts at upGrad, focusing on market development, revenue leadership, and establishing strategic partnerships across various geographies.

- Led the expansion of the organization's footprint across global markets, driving aggressive growth in B2C and B2B education verticals.
- Established and nurtured strategic alliances with global universities and corporate clients, enhancing brand visibility and lead acquisition.
- Conceptualized and implemented data-driven sales frameworks, optimizing funnel efficiency and improving lead-to-enrolment conversion rates.
- Built and managed a high-performing cross-border sales team with a strong focus on consultative selling and customer experience.
- Collaborated closely with Product and Marketing to tailor programs to international markets, ensuring alignment with local demand and compliance standards.

Achievements:

- Achieved over 3x revenue growth in under two years by scaling upGrad's international business presence across EMEA, APAC, and North America.
- Optimized funnel efficiency and improved lead-to-enrolment conversion rates by implementing data-driven sales frameworks.

Jan 2021 - Oct 2021
